Mississippi State Board of Contractors

To: Public Community Colleges and Public Schools that participate in the Mississippi Construction Education Foundation's School-to-Work Program, Mississippi State Institutions of Higher Learning (Construction Technology Programs Only) and Construction Educational Trusts approved by the Mississippi Board of Contractors.

From: John M. Sullivan, II Executive Secretary for the state Board of Contractors

Subject: Construction Education Fund Grant

House Bill 260 passed during the 1998 regular session, established the Construction Education Fund. House Bill 175 passed during the 2000 regular session amended who may apply for these funds. The monies in this fund are to be distributed to Mississippi State Institutions of Higher Learning (Construction Technology Programs Only) and public community colleges and public high schools that participate in the Mississippi Construction Education Foundation's School-to-Work program and certain construction educational trusts approved by the Mississippi State Board of Contractors in the manner hereinafter provided to offer courses for construction education and construction craft training to meet the needs of the construction industry of the State of Mississippi.

The Bill further states that the Board of Contractors shall, on an annual basis, solicit from these institutions, applications for the use of such funds in construction education and craft training programs. The Board shall ensure that the monies distributed from this fund are properly spent to promote construction education and craft training in programs in the State, which are approved by the Board. At least **seventy-five percent (75%)** of the monies distributed by the Board, pursuant to this section, must be used for construction craft training.

Each institution receiving funds pursuant to this act for construction education or construction craft training programs shall utilize such funds only for construction education and craft training curricula and program development, faculty development, equipment, student scholarships, student assistantships, and for continuing education programs related to construction education and craft training. Such funds shall not be commingled with the normal operating funds of the educational institution, regardless of the source of such funds.

Please find enclosed a list of criteria and an application for Award of the Construction Education Fund. If you are interested, please complete the application and return along with an itemized budget for the use of award funds, describing how the award will be used. You shall **submit 6 copies** of the application and all materials related to the application. **These applications will be due on or before January 12, 2009.** The Board will review these applications and will make a determination of award after the April 8, 2009 Board meeting. You will then be notified of the Board's decision.

SUBMIT SIX COPIES OF THIS APPLICATION AND ALL MATERIALS RELATED TO THIS APPLICATION.

Failure to submit required number of documents will result in the application being returned.

CONSTRUCTION EDUCATION FUND APPLICATION

SUBMIT **SIX COPIES** OF THIS APPLICATION AND ALL MATERIALS RELATED TO THIS APPLICATION.
FAILURE TO SUBMIT THE PROPER NUMBER OF COPIES WILL RESULT IN THE APPLICATION BEING RETURNED.

1. Date: _____

2. Name of Institution: _____

3. Address: _____

4. Contact Name: _____

5. Contact Numbers: _____

6. Classification: (Check one)
 Approved Construction Education Trust Public Community College
 MS State Institution of Higher Learning Public High School
 Other _____
